

# DO YOU CARE

**Andy Does.** He meets me once a week for a couple of hours and helps me learn to play the guitar, then we talk non-stop about music. It's because Andy cares that I know I can be a musician when I get older.

Do you care?...well maybe you could. If you're over 18 and think you could make a real difference to the life of a young person in care within Northern Ireland, we'd love to hear from you. Find out how to get involved and become a Mentor at:
