

DO YOU CARE

Darren does. He plays football with me once a week and listens to me talk about what's going on in my life. It's because Darren cares that I know the future isn't as scary as I thought it would be.

Do you care?...well maybe you could. If you're over 18 and think you could make a real difference to the life of a young person in care within Northern Ireland, we'd love to hear from you. Find out how to get involved and become a Mentor at:
