SPONSORSHIP OPPORTUNITY

CARE DAY AWARDS

CARE DAY is the world's biggest celebration of children and young people with care experience. This includes children and young people who are or were cared for by foster carers, or other family members, and those who live in children's homes. They deserve to be celebrated, on CARE DAY, and every day. CARE DAY in the UK and Ireland is a joint initiative across five children's rights charities, and led in Northern Ireland by VOYPIC – Voice of Young People in Care. CARE DAY 25 will take place on Friday 21 February, and will be the tenth CARE DAY in the UK and Ireland.

This year, for the second time, VOYPIC will be hosting our annual CARE DAY AWARDS, celebrating the achievements of young people in and leaving care across Northern Ireland. Nominations are already coming in, and we can't wait to celebrate our winners at a special ceremony, to be held on CARE DAY 25. Last year, there wasn't a dry eye in house, as we recognised some truly inspiring young people, who have overcome adversity, to achieve amazing things. We need your help to make it really special.

SPONSOR AN AWARD

For just £500, you can sponsor one of the six awards that will be presented on this night. In presenting the award, the host will use your company name during the ceremony. Your sponsorship will be referenced in all public communications about the award, including the winner's press release, and on the VOYPIC website.

SPONSOR A TABLE

For just £300, you can sponsor a table at the awards ceremony. This will allow ten young people with lived experience of care to attend the ceremony, and to celebrate CARE DAY 25 with their peers. The table will bear your company's logo, and be named after your company. Your sponsorship will be referenced on the VOYPIC website.

We hope you can help us to make this year's CARE DAY the best yet, and help us to celebrate some of the incredible care experienced young people right across Northern Ireland. If you can support us, please contact Lee Kane, VOYPIC Engagement Manager, at lee.kane@voypic.org / 07808777970. Thank you!
